

I'm Ken Cleghorn, Republican Party chairman Precinct 2084, and I wanted to reach out to you about the upcoming Texas Senate District 26 election. SD 26 is another San Antonio bastion of Democrats. More than 60% of SD26 voters cast ballots for Obama's second term. The political boundaries were drawn that way; it's not something we can change in this Special Election because our choices will be between Democrats Jose Menendez and Trey Martinez Fischer.

I am asking you to vote for Jose Menendez. Rep. Menendez spent 30 minutes this week talking to me about issues we have in common, including the need to focus more on basics like roads, the fact that there are already too many laws so constantly writing new laws is not the best answer, and the fact that he is opposed to increasing taxes.

If Republicans do not vote during this special election in February - SD26 will most likely go to Trey Martinez Fischer because he has the support of the most partisan Democrats. If we sit at home -we are going to end up with zero representation. If we go vote, we may achieve more moderation.

Early voting Feb 9-13, Election Day Feb. 17. You can contact me if you have questions
